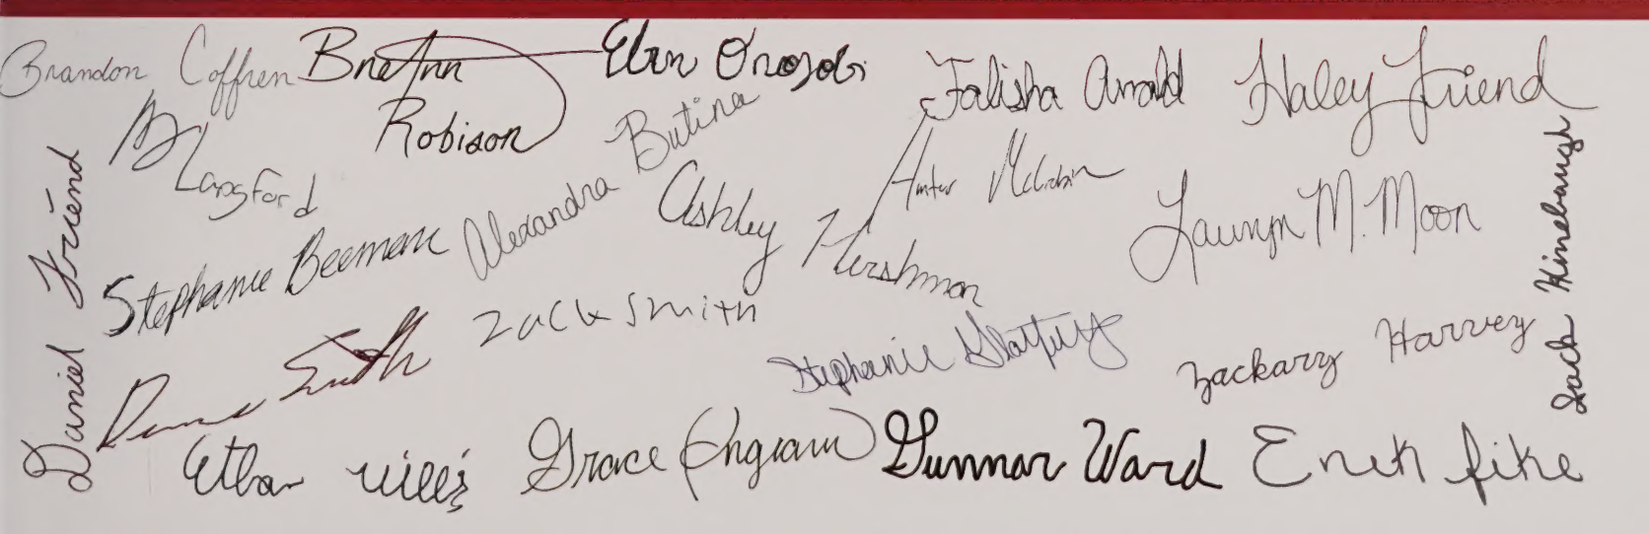
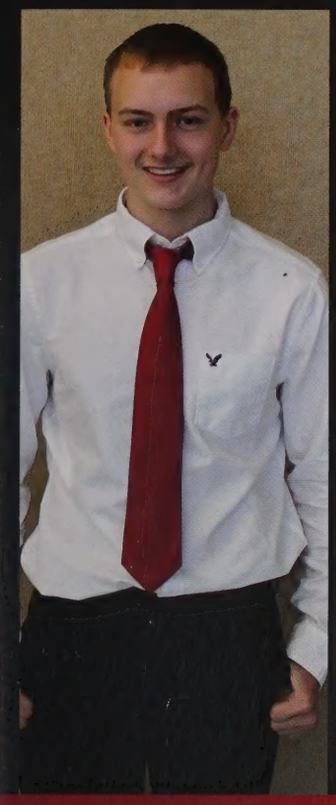
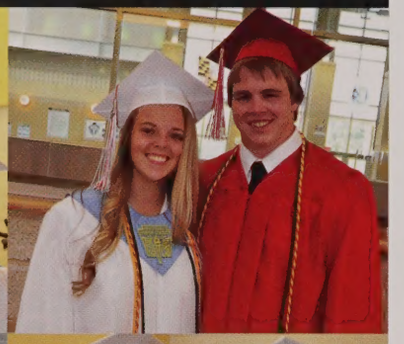
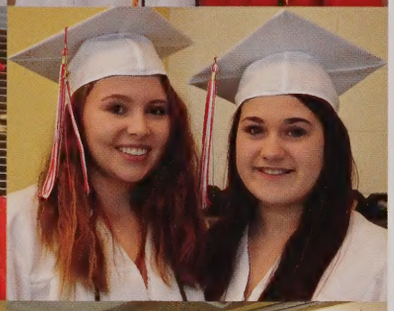
It took 2017 years to get a class THIS GREAT!

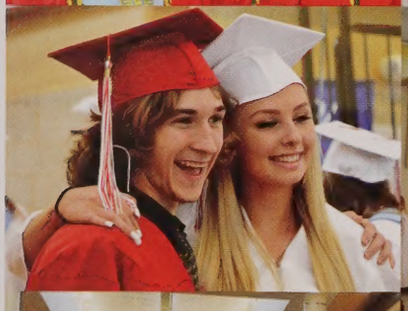


Under Our Cap & Gown



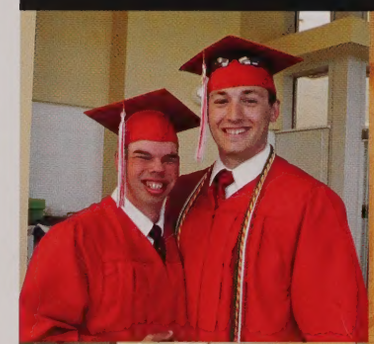






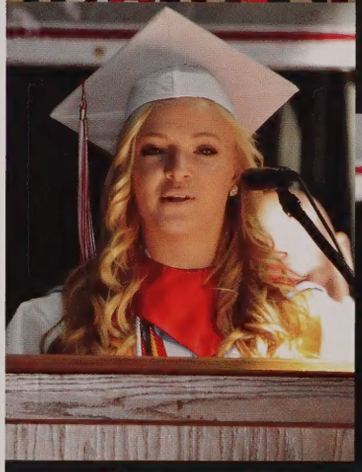
Looking back on your senior year, what was the most memorable event?

My most memorable event would have to be walking across the field on senior night, realizing that this would be the last time I would play in front of my home fans with the guys I have been playing soccer with my whole life.
-Lane Savage



What thoughts were going through your mind on the day of graduation?

"On the day of graduation I was thinking that I'm not going to see these people in years and that some are going to do good in life and I'm glad. I'm will miss my friends and I can't wait to show everyone what I have become."
- Bobby Walters



If you could underclassmen advice what would it be?

"I would have to say don't over think it. High school goes by fast enough so enjoy the moment, take that one crazy move on the dance floor, audition for that lead roll, try out for that team, take that risk, cheer on the team and go to the games. Don't over think it, enjoy it and just do it." - Zachary Slaubaugh

How did you feel when you received your high school diploma?

"I'm glad that it's finally over and that everything in my life is about to change and that I am moving on to the next chapter of my life."
-Shannon Miller

One Last Goodbye...

Senior Messages, Thoughts, & Memories

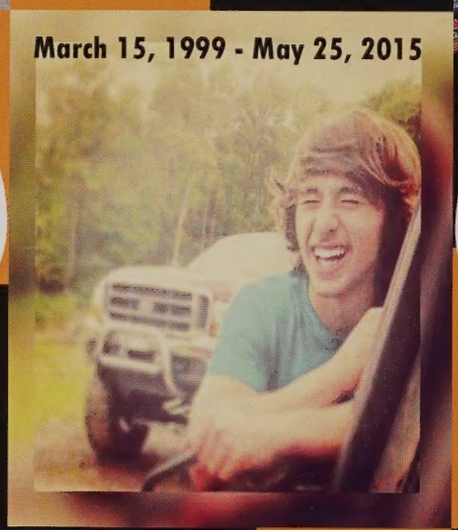
"The one friend I would like to leave a message for is Petie Davis. I wish he could be here."
"Petie and I met in the 6th grade because we had homeroom together. My favorite memories were the three days he spent with me right before he passed away. We rode dirt bikes all day and had an amazing time. We were riding side by side and gave each other high-fives. I could fill a book with all the other great memories we had together. If I could send him a message today I would say that I miss him so much and that things will never been the same without him."
-Danny Hebb

"Petie and I have known each other since birth, we have been family since before we were both even thought about. Besides being related to him and growing up together, my favorite memory with him would be fishing with him at Broadford. If I could leave a message for him it would be 'I miss you bud and I love you."
-Matt Stemple

"Petie and I met in middle school through my brother Danny. One of my favorite memories with him was when he was at my house with Joston and Bud and we all stood outside laughing and telling jokes/stories. The best memory I had with him was when he came to my house for Memorial Day weekend and we went riding. As we went down the road Danny and Petie were in front of me and I watched them high-five each other. There are so many things I wish I could say to Petie, but if I could send him a message it would be that everyone misses and loves him so much, and to keep riding on."
-Courtney Hebb

"Petie and I met in middle school but we didn't really talk until we had classes together in high school. When we would raise heck with the teachers no matter how mad they would get at him he would still be smiling like he always. I'll never forget his smile. If I could leave a message for him it would be that I wish we could hang out more and that he was the nicest person and friend I know."
-Cory Kelly

March 15, 1999 - May 25, 2015



Always in our heart!

Petie Davis

"I met Petie in the 6th grade when I sat with him at lunch and from that moment on I knew we were going to be very close friends. My favorite memories with Petie is throwing pencils across the cafeteria in the mornings and also talking about going riding together over the summer. My message to Petie would be that I miss you a lot and I can't wait to see you again!"
-Cameron Riley

"I met Petie through our dads. I have known Petie since before I could even walk. Hanging out with him everyday after school with our friends and also the dumb stuff we did will always be what I remember. One thing I would like to tell him would be that I miss you buddy and I will see you again some day.'"
-Joston Lipscomb

"We met in middle school. We had most of our classes together. My favorite memories are hanging out with him over the summer, swimming, and riding fourwheelers. I would say that we all miss you down here bud. RIP we'll see you one day, keep rippin on dirtbikes up in heaven."
-Alex Friend

"Petie and I met when he came to my elementary school when I was in the 4th grade. My favorite memories would be we were playing 'Marco Polo' in the pool at my house and whenever you got close to getting Petie he couldn't hold his laugh in. Everytime you would get close to him he would laugh and you would get him everytime. There are too many good memories with this boy. I would like to tell him how much I miss him and ask him if he wanted to go riding with us one more time like we always did. He was the only one that was always there for me when I needed him the most."
-Colton Lucas

"Petie and I met in 7th grade and I knew that me we were going to be buds for a long time to come. If I was having a bad day he would always cheer me up! He would stop by the house and tell us about the deer he just seen on the road I lived on. He would say 'I'm gonna shoot them before you'. If I could leave him a message right now I would ask him how he was doing and how heaven is. I would tell him when I get up there we will go hunting and fishing."

Girls Track

"I've been on the track team for 4 years of my High School Career. My events have been the 400, 800, and long jump. My last two years at regionals I've got personal records in the 400 and my junior year I had my best long jump record of 13 feet 7 inches. I also will miss being able to run for my coaches and making them proud."
-Katelyn Dolan

"I've been on the track team for 4 years and it has proved to be my favorite sport! I've ran everything from 100 meters to 3200 meters and have so many great relay teams. The relay teams are what I'll miss the most because after running together in so many meets we truly became sisters. Sitting through 5 hour meets in the freezing cold or scorching hot, is not fun, but my team made every meet memorable and well worth it!"
-Sam Swift

"I have been on the ream for three years. I was a part of the 4x800, 4x400, open 400 and open 800. My favorite memories came from being on the relay teams and making it to states in 4x800."
-Sylvia Watson

"I've been on the track team all four years of my high school career. I run 100s, 200s, 400s, long jump, throw, and pole vault. I'm going to miss pushing myself to reach new personal records and my teammates who I got close with and most of all the coaches."
-Brooklynn Flanigan

"This year was my first year of high school track. It was very difficult, but I loved every moment of it. I did my best to try and reach my goals and I eventually did. High school track was very memorable.'

Humor-Payton Kennedy, Regan Harvey, Trenton Rinker, and Courtney Hebb Having a tough day? If so, being around one of these students will surely brighten your day. These students are known to make anyone laugh and make any situation seem lighter and not so serious!

Determination-Nathan Sweitzer and Mary Tran Sometimes in order to succeed you have to possess determination and drive. Mary has been determined to succeed at calculus. She spends time getting help from Mr. Krupa. Nathan, a spanish student, worked with Mrs. Lewis during his down time to make sure he knew how to speak and write the language. These two students know persistence and determination is the key to success.

Kindness-Cole Sweitzer and Kristen Britner Many staff members feel Cole and Kristen have both demonstrate kindness to fellow students and staff. "I watched Cole Sweitzer during a wrestling match, when his opponent suffered an injury. I watch Cole every day in the hallway show kindness to other students and teachers on a daily basis." "Kristen always spoke daily to other students and was very kind to each student she spoke to. She was also very kind when speaking to me and other adults. I also witness her kind personality at her job. She has waited on my family and I a few times at Brenda's Pizzeria."

Sportsmanship- Zach Smith, Kamrin Weimer, Courtney Roth, and Brekale Washington

When asked, Southern staff and students commented about these four students who have shown outstanding sportsmanship throughout the year.

"Zach is the most friendly person I know. He is caring, thoughtful and an excellent example of sportsmanship. He can be a tough competitor and at the same time, he encourages his opponents to play well too. He makes friends wherever he goes and even joined together with his long time competitor and friend from Fort Hill, Chianne, to team up and play some tennis matches together this year. He worked very hard to learn the game of tennis and his sportsmanship on and off the court is exceptional."

Grant,

Grant Owens

You have made us so very proud of all you have accomplished through your high school years. Your grades, sports and band have all been paid off with your hard work and dedication. We couldn't ask for better. What a wonderful young man you have become, better yet a wonderful son. We can't wait to see what all you will accomplish in the next step in your life.

We love you and wish you the best!
Love Mom and Dad

Katie Shreve

From "our little boo" to "the last line of defense" where did the years go? Who knew then the many places you would go. This is just the beginning. Good luck in your next endeavor.

Love,
All the Family

To our Son Joe,
I can't believe you're a senior
Where did time go
We are so grateful for our son
who we call Smiling Joe.
Your passion for fishing
Has now opened many doors
And we are excited to see
What God has in store.
Keep those lines tight
And your eyes on the light
With God at the helm
And your family by your side
Nothing can stop you
Not even a strong tide.
Now go catch your Big Dreams
And work hard all the way
But remember your family & friends
When you make it pro someday!
We are so proud of you Joe!
Love,
Mom & Dad

Joe McClosky

To my Advisees:
Thank you all for a wonderful 4 years. I've had the pleasure of watching you come to SHS as young freshman and grow to wonderful young adults. It has been delightful watching you all grow and change these past 4 years and I will truly miss each of you. I want to wish you the best of luck and congratulations on your graduation. You made it! Your future is bright. Your family is proud of you. Your friends are happy and celebrating and I hope you are happy too. Enjoy your summer, appreciate the memories you have made over the past 4 years and remember that you will never be the same person that you are today. As I tell my students, strive to be better today than you were yesterday! -Ms. Gangler

There is no such thing as failure, only learning experiences. -Mrs. Bittinger

JROTC seniors: Best wishes and clear skies in all that you do. Hold on to your values for they will be tested. The pleasure of having you was ours! 1st Sgt Wright and Col. Sheaffer

Seniors: May you have a wonderful future. Strive for the best. Do something good for the world. Be kind. Smile, Always do what is right not what everyone else is doing. Learn as much as you can, no one can take your mind away from you. Learn and take advice from those older than you. They have been there. Treat ALL animals with respect and love. How a person treats an animal is a reflection of their soul. Love one another. Respect ALL life. May God bless you and may Got bless the class of 2017. -Ms. Zumpano

Without the students, parents, teachers, coaches and community the 2017 yearbook would not be possible. Thank you everyone for the pictures, information, scores, ads, quotes and assistance in creating this book for SHS students.

Thank you Jessica Thayer, Brady Merrick and Trent Lohr for helping design the cover and endsheets.

Thank you to the SHS administration and staff for their support throughout the year. Your tolerance of me and my students is very appreciated. I definitely work with the best staff!

A BIG THANK YOU to the students. Without your cooperation your yearbook would not exist. You have been so great at giving us information and allowing us to use your personal pictures. I hope this book gives you memories that will last a lifetime. I'm honored and proud to teach in the best school in the area. You are the best students to work with and photograph!

Always be kind to one another. Love one another. Never pass up doing someone a favor and please save a life...**have your pet spayed or neutered**!

May God bless each one of you! I love you with all my heart!

-Ms. Zumpano

However, you may be on a page that is not listed beside your name in the index. And you may also be listed in the index for a page that you are not pictured on. We apologize for any errors and the errors were not done on purpose. Thank you.
